Authors' Agreement Form

Iranian Journal of Pathology

All authors should read the following carefully and sign if agree. The scanned copy of this form must be submitted along with the manuscript. .

Date: . . . . . ./. . . . . ./. . . . . .

Manuscript title:

Copyright. Upon publication, each undersigned author agrees that the Iranian Society of Pathology is the copyright owner of the material published in Iranian Journal of Pathology. However, in accordance with *Bethesda Statement on Open Access Publishing* (released June 20, 2003, available from: http://www.earlham.edu/~peters/fos/bethesda.htm), all works published in Iranian Journal of Pathology are open access and are immediately available to anyone on the web site of the journal without cost. The users are free to copy, distribute, and display the work; to make derivative works; and to make any reasonable noncommercial use of the work, subject to proper attribution of authorship and ownership of the rights. Authors may use their material in presentations and subsequent publications they write or edit themselves, provided that Iranian Journal of Pathology is notified in writing and is acknowledged as the original publication.

Statement of Authorship . This statement acknowledges that each undersigned author has made a substantial contribution to the manuscript and is willing to take public responsibility for its contents. Author(s) attest that all persons designated as authors qualify for authorship and all those who qualify are listed. The corresponding author takes responsibility for the integrity of the work as a whole, from inception to published article. Iranian Journal of Pathology follows the latest definition provided by the *Uniform Requirements for Manuscripts Submitted to Biomedical Journals* (http://www.icmje.org) listed below:

"Authorship credit should be based on 1) substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2, and 3."

All others who contributed to the work but are not authors (if any) are named in the Acknowledgements of the manuscript.

Conflict of Interest and Financial Supports. Author(s) warrant that any financial interests, direct or indirect, that exit or may be perceived to exist for individual contributors in connection with this manuscript have been disclosed in the covering letter. Furthermore, sources of, financial support of the project are named in the covering letter as well as the *Acknowledgements*.

Ethical Requirements. Author(s) herein attest that all human and/or animal studies undertaken as part of research from which this manuscript is derived, are in compliance with the regulations of their institution(s) and generally accepted guidelines governing such work. Author(s) warrant that this manuscript contains no violation of any existing copyright or other third party right or any material of an obscene, indecent, libelous , or otherwise unlawful nature and that to the best of their knowledge the manuscript does not infringe the rights of others.

Previous Publications. Author(s) certify that neither this manuscript nor one with substantially similar content under their authorship has been published or being considered for publication elsewhere in any language (neither local nor international journals), except as described in the covering letter.

The undersigned author(s) have read the above and the *Instruction for Authors* of Iranian Journal of Pathology and herein comply with the instructions. If but how this manuscript is not published in either print or electronic versions of Iranian Journal of Pathology within 12 months of acceptance (or as otherwise agreed), this agreement shall automatically terminate.
